Stillwater Accessibility Information with Hearing Impairments

Access Information

It is the responsibility of an event’s sponsor to provide access. Contact organizations (both OSU and off-campus) who are coordinating events to request interpreters, if needed. Typically, organizations will need advanced notice & timely response to set up the interpreter. If an organization is unfamiliar with how to set-up an interpreter, refer them to TSHA (off-campus, 888-311-3523 v/tty) or Sandie Busby (on-campus, 405-744-7116 v/tty) for assistance.
